

APARTMENTS Paris Place d'Italie

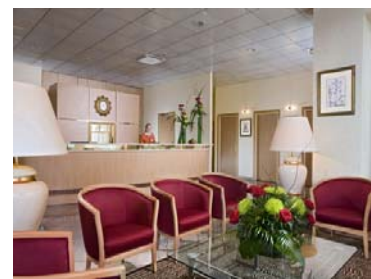

18, place d'Italie Paris

This Apart'hotel is situated at the crossroads of two very different worlds on one side of the square lies Chinatown, with its exotic sights and smells as well as its restaurants and supermarkets. On the other, is a typically French scene- the Butte-aux-Cailles village is filled with quiet cobbled streets, small houses and bistros.

It overlooks a tree-lined street, and is in an important economic area just a few minutes from the Ecole nationale des Arts and Métiers, Pitié-Salpêtrière hospital and the Latin Quarter. From your Apart'hotel, you can take a stroll in the Jardin des Plantes and Natural History Museum, or head towards the Bibliothèque Mitterrand (the new National Library). And when you feel like some excitement, head to the Latin quarter nearby.

Absolute musts: the Manufacture des Gobelins, home to the state weaving companies, founded 300 years ago and still producing tapestries.

The Apart'hotel is located in a typical French area - the very quaint Butte aux Cailles is filled with charming streets and little bistros. Thee Jardin des Plantes with its Natural History Museum, the François Mitterrand Library (the TGB), the famous Chinese Quarter and the Gobelins tapestry workshop are all attractions within easy reach. Bercy sports arena, Censier and Jussieu universities and the Arab World Institute are also a short distance away. Movie lovers will be pleased to know that there is a wide-screen cinema just outside the Apart'hotel.
