Kr.Barona str. 12, LV-1050 Riga Latvia

EUROPA ROYALE RIGA hotel is located in the city centre next to the historic and picturesque Verman Park. The historical house of the legendary Benjamins was fully restored in 2006 and became a luxurious hotel. Built in 1876, the most splendid mansion was reconstructed in authentic character to perfectly fit for the luxurious four-star hotel. This building is one of the most rare pergola examples in the architecture of the city. Sculptor A.Folc, an expert of stained glass A.Kalert and a painter Georg V.Timm worked together on decorations of the building. With its spirit of history the four-star EUROPA ROYALE RIGA hotel is selectively preferred to many other hotels in the centre of Riga.
