

## Hotel Von Stackelberg 4\*

Toompuiestee 23 - Tallinn 10137 Estonia

The von Stackelberg Hotel Tallinn is a fully renovated lifestyle hotel, featuring modern facilities in a historical setting. It creates something completely new – unique atmosphere, where the old meets the new. This building was originally built in 1874 as a private residence for a German baron Theophil von Stackelberg. To keep the historical interior, the original limestone walls has been kept inside to create a warm and welcoming environment, though combined with original lighting and design elements to give it a bit more edge. Located next to Tallinn's old town, it makes a great location for tourists or business travellers, and the hotel prides itself on its friendly staff and excellent service. The von Stackelberg Hotel overlooks the enchanting Unesco World Heritage Site of Tallinn's old town, right at the foot of Toompea Hill and only few steps from the Toompea Castle and Nevsky Cathedral. All the main shopping, restaurant and night-life areas can be found nearby. Transport links are good with the railway station 7 minutes' walk away, the airport 5 km away, and the port and bus station just 2 km away. For live sports the national football stadium is only a 15-minute walk away, while Estonia's best golf courses are approximately 25 minutes' drive from the hotel.
