LU NIBAREDDU RESIDENCE HOTEL

Loc. Porto Taverna Vaccileddi
Loiri Porto San Paolo (SS)

The Residence faces one of the most beautiful bays in Sardinia consisting of a very long white beach and a sea of a thousand colours.

The apartments are between 50 and 1.500 metres from the sea and are connected via a private road and a mini bus service.

Situated in the tourist spot **Porto Taverna**, renowned for its beautiful beaches with a view of the Island of **Tavolara**, the Residence Hotel "Lu Nibareddu" blends in perfectly with the unspoiled surroundings of a sea of innumerable shades of blue - the thriving scub with its numerous bushes of juniper, from which the name of the Residence derives.

The various apartments are villas of brickwork, built conveniently close to all the necessary facilities and places of entertainment but at the same time affording the privacy needed for a tranquil holiday. All the villas have sea or panoramic view and the majority of the rooms have a telephone.

The complex of buildings starts at the beach and follows the slope of a characteristic hill of junipers and flowers right to every "hearth" of the village where you can find a restaurant/pizzeria, swimming pool, tennis court, 5 a side football and a small theater. A snack bar and mini-restaurant for lunch are situated directly on the beach. During the tourist season, tournaments, "feste" and gymnastics are organised in the centre of the village.
